

The Conciliators (The Conciliators, Book 3 of The Collectibles Series)

It all started with a blind promise now Preston Wilson faces a dilemma that will ultimately destroy him or define him. In The Collectibles, Book one of The Collectibles Trilogy, Kaufman delivers the gripping and unforgettable story of Joe Hart and Preston Wilson, two strong men from different worlds one touched by tragedy, the other by greed brought together by a promise that changes six lives forever. In The Concealers, Book Two of the trilogy, Kaufmans readers meet Katherine Kelly, a budding journalist driven to find the truth. As she investigates bank fraud in Long Island, she discovers the identity of her father, only to learn that he is being drawn into her investigation. Too soon, she learns the agony and price of the truth she seeks. In The Conciliators, the conclusion of The Collectibles Trilogy, Preston Wilsons life is once again imploding this time as headline news, bylined by Katherine Kelly. Under fire thanks to the financial shenanigans of a longtime friend, the CEO finds himself in trouble with the FBI, the Russian mafia, and his creditors. If he doesnt come up with a plan and quickly he could lose everytt for what matters most: his family, his friends, and the Collectibles.
