

## Strange: A Dark and Surreal Collection

?Are dreams made of jello or of blackened hearts? What are the four shadows? From a career defined by darkness comes the unexplained, the unbelievable and the shocking. Mark Taylor's *Strange* is a collection of six. Six tales of woe, six tales of terror, six layers of hate. But more, so much more, they are the answers in the darkness, the shades no longer grey...or are they? Within the trials of *Networking* and the totalitarian *Total Entertainment* are the terrifying consequences of technology, and *Eternal Light* sees the world extinct. *Inside* and *Elizabeth* toy with the mind, and that just leaves *Dead Game* where you might like what you find. Come, come and visit...come and play...where we are all a little...Strange.
