

The Debutantes Second Chance (Mills & Boon Cherish)

Landy Wisdom was a survivor. Her former husbands' abuse hadn't broken her spirit; no, she'd picked herself right up and helped run the local Underground Railroad for battered women. But when it came to love, Landy felt that the train had left the station. She'd built a wall around her heart; no man could breach until journalist Micah Walker showed up and bought the hometown newspaper. For Micah, returning to small-town life was a culture shock. But it was more shocking to see how things had changed for the local debutante. In high school, Landy had seemed untouchable. Was she still? Micah would find out, as he patiently, tenderly dismantled her defenses to reveal the warm, compassionate woman underneath.
