[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, vampires, gods, public exhibition, HEA] Sheriff Luke Rivera is convinced he's dreaming when a pint-sized man pops into his living room, informing him he has thirty days to change his greedy ways. What he's always believed about the world is further tested when his sexy new roommate sinks his fangs into a bag of blood, right at the kitchen table. Tucker Ford wasn't hurting anyone. Well, no one had died at any rate. Planning to sit back and coast through his own sentence, he wasn't prepared for Mr. Tall, Gorgeous, and Surly to wake up in his guestroom—or for the man to be his destined mate. With thirty days to prove themselves, the two will have to learn to trust each other and work together. The debt they owe for their sins is steep, and both men will soon find out what it means to love something—or someone—enough to let them go. \*\* A Siren Erotic Romance
