

The Doorkeepers (Bloomsbury Reader)

Julia Winward, a young American woman, has been missing in England for nearly a year. When her mutilated body is discovered in the Thames, her brother Josh is determined to find out what happened to her during that lost time. But nothing Josh discovers makes any sense and he soon unearths a terrible secret. Julia had been working for a company that shut down 60 years ago, and living at an address that hadn't existed since World War II...
