

## The Double (Spero Lucas)

THE DOUBLE is as good as it gets. The writing is taut, the violence is graphic, and the characters are so well-drawn that they step off the page and into your life. - Associated Press Every man has his dark side. Spero Lucas confronts his own in the most explosive thriller yet from one of Americas best-loved crime writers. The job seems simple enough: retrieve the valuable painting--The Double--Grace Kinkaid's ex-boyfriend stole from her. It's the sort of thing Spero Lucas specializes in: finding what's missing, and doing it quietly. But Grace wants more. She wants Lucas to find the man who humiliated her--a violent career criminal with a small gang of brutal thugs at his beck and call. Lucas is a man who knows how to get what he wants, whether it's a thief on the run--or a married woman. In the midst of a steamy, passionate love affair that he knows can't last, in pursuit of a dangerously vicious killer, Lucas is forced to decide what kind of man he is--and how far he'll go to get what he wants.
