

The Dream Jumper Series: Romantic Suspense with Supernatural Elements

National BESTSELLING Author Kim Hornsby releases the DREAM JUMPER SERIES as a set! If you haven't discovered the Award-Winning Novel *The Dream Jumpers Promise*, you're going to want to. Nominated for Best Indie First Book by Indie Romance Convention, and the recipient of BEST PARANORMAL MYSTERY by Chanticleer Book Reviews, the first in the series is a wild ride. Set on the island of Maui this mystery not only asks what happened the day Hank went surfing but leads the reader into the subconscious dream world. What if an old boyfriend could selectively enter dreams? Would you let someone you once loved but double-crossed you into your psyche? Ten years after letting Tina go, Jamey Dunn accidentally re-enters her Maui life and finds himself in the middle of a search to find out what happened the day her husband went surfing and never returned. With his strange ability to enter dreams, Jamey is the only one who can help her decipher the mysterious dreams that come at night. Working against unforeseen forces, he struggles to gain Tina's trust and keep her from being taken by the people who want her dead.
