

The Expat Diaries: Twelve Days to Christmas

FROM THE SUNDAY TIMES AND USA TODAY BESTSELLING AUTHOR What if his proposal had an expiration date? Hannah's in a bit of a pickle. In twelve days she flies from Hong Kong to the US with Sam, where he's finally going to meet her parents... and ask to marry her. Since overcoming a rather rocky patch in their relationship (which was totally his fault), he really is a new man, and they're completely in love. The problem is, she feels panicky every time she contemplates matrimony. Which is perfectly normal, isn't it? Isn't it?! She has no idea but she's got to find out before he pops the question... because she's not 100% sure she's going to say yes. Which will make for a very uncomfortable family holiday. He's got to ask her before they go. So Operation Proposal begins. As time ticks down to their flight, Hannah realizes that her own secrets are threatening their future. Before she can be happy with Sam, she's got a lot to learn about herself in the twelve days to Christmas. This is a novella of 120 pages in paperback, and was originally published as The Twelve Days to Christmas. Praise for The Expat Diaries: Twelve Days to Christmas... The Twelve Days of Christmas read just like a Debbie Macomber story. Easy and so entertaining. - A Novel Review Great read! Light, fast, fun - and I adored the ending. 4.5* - Chick Lit Plus There's humor, romance, and a well-earned climax that definitely satisfies. - Superfast Reader This is a quick and highly entertaining read. If you are ready for just a taste of Christmas then please go and check it out today! - Charming Chelsey This could be the ideal balm for someone recovering from a hard breakup and looking for an easy read to restore their faith in romance. - Best Chick Lit
