If you enjoy the stories of Mickey Spillane or Sue Grafton, you will find The Marine Letsco Trilogy an intriguing read. In Book Two, Marine Letsco has begun to have flashbacks. Moreover, she thinks she saw the ghost of Ana-Geliza, her cabin steward that she thought she killed at the end of the cruise in The Fire Within. To complicate Marine's life, she must start a new job as a firefighter. What else could possibly happen? Who else will suddenly appear in her life? When will Marine get her memory back? Where is Drake? Will she stay in New Brook or leave for Europe? The answers to these questions and more take you on a journey through fire, murder, and revenge as Marine searches for a purpose in her life.
