

The Firemaker: The China Thrillers, Book 1

A burned corpse is a disturbing mystery for Beijing detective Li Yan until he enlists forensic pathologist Margaret Campbell. Having abandoned a broken life in Chicago for her work, she's as determined as Li to ask difficult questions about the man's death. But some questions have answers they'd rather not hear - facts that others are desperate to conceal. The Firemaker is the first in the acclaimed China series from Peter May, author of Runaway, Entry Island and the internationally bestselling Lewis Trilogy.
