

## The Gilded Age: A Tale of Today

The Gilded Age in United States history is a period approximately spanning the final three decades of the nineteenth century; from the end of the Reconstruction Era in the 1870s to 1900. The term was coined by writers Mark Twain and Charles Dudley Warner in *The Gilded Age: A Tale of Today*, which they published in 1873, and which satirized what they believed to be an era of serious social problems disguised by a thin gold gilding.
