

The Girls of August

Every August, four women would gather together to spend a week at the beach, renting a new house each year. The ritual began when they were in their 20s and their husbands were in medical school, and became a mainstay of every summer thereafter. Their only criteria was oceanfront and isolation, their only desire to strengthen their far-flung friendships. They called themselves the Girls of August. But when one of the Girls dies tragically, the group slowly drifts apart and their vacations together are brought to a halt. Years later, a new marriage reunites them and they decide to come together once again on a remote barrier island off the South Carolina coast. There, far from civilization, the women make startling discoveries that will change them in ways they never expected.

The Girls of August by Anne Rivers Siddons Reviews, Discussion They called themselves the Girls of August. But when one of the Girls dies tragically, the group slowly drifts apart and their vacations together are brought to a halt. Years later, a new marriage reunites them and they decide to come together once again on a remote barrier island off the South Carolina coast. There, far from civilization, the women make startling discoveries that will change them in ways they never expected.

Summary/Reviews: The girls of August / Her latest, *The Girls of August*, is another beach read and already climbing up the best-sellers list. The story centers on four women who get together every August to spend a week at the beach, renting a new house each year. The ritual began when they were in their 20s and their husbands were in medical school, and became a mainstay of every summer thereafter. Their only criteria was oceanfront and isolation, their only desire to strengthen their far-flung friendships. They called themselves the Girls of August. But when one of the Girls dies tragically, the group slowly drifts apart and their vacations together are brought to a halt. Years later, a new marriage reunites them and they decide to come together once again on a remote barrier island off the South Carolina coast. There, far from civilization, the women make startling discoveries that will change them in ways they never expected.

Paperback Barnes *THE GIRLS OF AUGUST* by Anne Rivers Siddons is not my usual type of book but I'm trying to branch out. This book provided me two days of fantastic fiction.

Random Book Every August, four women would gather together to spend a week at the beach, renting a new house each year. The ritual began when they were in their 20s.
