

Santa Christ and the Xmas Miracle: A Twisted Holiday Short Story

Cleve is a relic hunter scouring the wastelands for rusty gold in the year 2090. Most of civilization has been decimated and Cleve exists hand to mouth, trading with mutants at supply huts to feed himself. Cleve observes a calendar that few acknowledge. Soon, it will be his favorite day: December 25th. This day celebrates the birthday of our savior, Santa Christ. Cleve needs an Xmas miracle. And a gruesome one is heading his way!
