

The Duet

Four Hands. Two Hearts. One Song. When widower Gerrit Appeldoorn takes his granddaughter to piano lessons one day, he finds himself drawn to her music teacher: a woman unlike any he has known. Its an unlikely attraction. Hes a retired dairyman with mud on his boots; Joan Horton is a world traveler and former piano instructor at New Yorks most prestigious academy of music. Not quite beauty and the beast, but close. Even so, Gerrit slowly begins to open his heart: to Joan, to music, to the possibilities that may be found in both. Yet as their relationship deepens, Gerrit faces crises concerning his family and farm, while Joan confronts a dark secret that threatens her future. While coping with these challenges, neither can predict how their duet will sound as they practice the music of renewed hope and second chances. From the Trade Paperback edition.
