

The Grimorium Verum (Tres Librorum Prohibitorum) (Volume 3)

The Grimorium Verum is a collection of 26 short stories in the dark fiction and horror genres, edited and compiled by Dean M. Drinkel. The stories follow the common theme of magic. The Grimorium Verum, the infamous Grimoire of Truth, is the 18th century textbook of Magick attributed to Alibeck the Egyptian and coveted by The Great Beast Aleister Crowley. The Grimorium Verum now takes its place as the third installment in the Tres Librorum Prohibitorum series of anthologies. Twenty-six dark fiction authors from around the world each take a letter and use their unique voices to weave magical stories of horror and the fantastic. The Truth, at last speaks!
