

The House of the Seven Gables (Illustrated)

The House of the Seven Gables is a Gothic novel written beginning in mid-1850 by American author Nathaniel Hawthorne and published in April 1851 by Ticknor and Fields of Boston. The novel follows a New England family and their ancestral home. In the book, Hawthorne explores themes of guilt, retribution, and atonement and colors the tale with suggestions of the supernatural and witchcraft. The setting for the book was inspired by a gabled house in Salem belonging to Hawthorne's cousin Susanna Ingersoll and by ancestors of Hawthorne who had played a part in the Salem Witch Trials of 1692. The book was well received upon publication and later had a strong influence on the work of H. P. Lovecraft. The House of the Seven Gables has been adapted several times to film and television. The House of the Seven Gables is a gloomy New England mansion, haunted from its foundation by fraudulent dealings, accusations of witchcraft, and sudden death. The current resident, the dignified but desperately poor Hepzibah Pyncheon, opens a shop in a side room to support her brother Clifford, who is about to leave prison after serving twenty-five years for murder. She refuses all assistance from her unpleasant wealthy cousin Judge Jaffrey Pyncheon. A distant relative, the pretty young Phoebe, turns up and quickly becomes invaluable, charming customers and rousing Clifford from depression. A delicate romance grows between Phoebe and the mysterious lodger Holgrave, who is writing a history of the Pyncheon family.
