

## The Last Spymaster

Charles Jay Tice was a spys spy. The chief of the CIAs elite Clandestine Services, he was a legend throughout the world of international intelligence. But secretly he was also a traitor, reputedly selling information that will seriously compromise the security of the United States for decades to come. Since his treachery was exposed, Tice has been kept under strict surveillance in a maximum security prison. Then one morning, his cell is discovered empty. Jay Tice has vanished - without tripping an alarm or leaving any trace of his passing. Elaine Cunningham is a hunter - a CIA operative who specializes in finding people who dont want to be found. Young, gifted and a maverick, she is assigned to track Tice and bring him to ground before he disappears forever. But as she matches wits in a perilous game with one of the greatest spymasters of all time, she discovers there is far more at stake than an old spys last rew York City, a deadly conspiracy is coalescing. With only a few hours to go, and the future of millions in the balance, she must uncover the truth behind the legend of the last spymaster.
