

The Last Stop

Having lost his Wife, James feels as though he has lost everything that matters to him. Finally beaten by his ongoing battles with depression, James decides his best plan of action is to sell his worldly possessions. Sell-up and move out to Australia for a final blow-out... a final adventure bringing nothing but highs, before his planned, grand exit from his own Life. And it could have been the ideal plan had he not fallen asleep on the train... From Matt Shaw (Best-selling author of Happy Ever After) comes a whole new dark and twisted tale....
