

## Dreams Deferred (Brooks Sisters Dreams Series Book 2)

Liking the bad boys can get you killed. Ivy Brooks was always attracted to the bad boys until one day, she met the worst of them all and landed in prison as a result. Just when she believes shes made a fresh start, her sons father, Zeke, finds out about her secret baby and sues for full custody. She kept her mouth shut when the police found jewelry from the heist committed by Zeke in her apartment. But now, to save her son from a life of misery, Ivy has no choice but to testify against Zeke. Luke, a former bad boy who professes to have turned over a new leaf, is determined to protect Ivy and her son at any cost. Will she stay alive long enough to testify? And can she trust Luke to stand by her side without being drawn back into a life of violence?
