The Literary Review: Street Cred

Blunt and esoteric, the street is a place where people see each other, brush past or know each other, stop and chat or merely wave, hug sometimes or catch a kiss. Exciting new work from Rene Steinke, Monica Sarsini, Miranda Field, Christian Teresi, and Gauz... to name just a few. We hope that you enjoy this issue and that in some way it grabs you, touches you, maybe even shakes you. What will you find in this issue of TLR? Everything you didnt know you should read. TLR: Read bravely.
