

# The Tiger's Cave

Twelve bodies; no motive; the hunt is on! A lorry full of Chinese illegal immigrants arrives in Hull. Twenty four hours later their bodies are discovered close to the M62 motorway; but a young man and a girl are missing, and still at risk. Supported by the Serious and Organised Crime Agency, Caton must travel to China to pick up the trail. But he knows the solution is closer to home - in Manchester's Chinatown - and time is running out. A cold case is about to get hot! This fast paced novel is the third in the DCI Tom Caton series.
