

## The Man Who Smiled

In this adventure from the pen of Sweden's master of crime and mystery, a disillusioned Inspector Kurt Wallander is thrown back into the fray when he becomes both hunter and hunted. Crestfallen, dejected, and spiraling into an alcohol-fuelled depression after killing a man in the line of duty, Inspector Wallander has made up his mind to quit the police force for good. When an old acquaintance, a solicitor, seeks Wallander's help and later turns up dead, Wallander realizes that he was wrong not to listen. Warily, he returns to work to head what may now have become a double murder case. A rookie female detective has joined the force in his absence, and he adopts the role of mentor to her as they fight to unravel the mystery.
