

The Mersey Sound (Penguin Modern Classics)

The Mersey Sound is an attempt to introduce contemporary poetry to the general reader by publishing representative work by each of three modern poets in a single volume, in each case the selection has been made to illustrate the poets characteristics in style and form. With this modest brief, The Mersey Sound was conceived and first published in 1967. An anthology which features Roger McGoughs work, alongside that of Brian Patten and Adrian Henri (The Liverpool Poets), it went on to sell over half a million copies and to become the bestselling poetry anthology of all time.
