

The Montauk Monster

Shea combines ancient evil, old school horror, and modern style. --Jonathan Maberry, New York Times bestselling author
It Kills. . . On a hot summer night in Montauk, the bodies of two local bar patrons are discovered in the dunes, torn to shreds, their identities unrecognizable. . . It Breeds. . . In another part of town, a woman's backyard is invaded by four terrifying creatures that defy any kind of description. What's clear is that they're hostile--and they're ravenous. . . It Spreads. . . With every sunset the terror rises again, infecting residents with a virus no one can cure. The CDC can't help them; FEMA can't save them. But each savage attack brings Suffolk County Police Officer Gray Dalton one step closer to the shocking source of these unholy creations. Hidden on nearby Plum Island, a U.S. research facility has been running top-secret experiments. What they created was never meant to see the light of day. Now, a vacation paradise is going straight to hell. Hunter Shea is the real deal. . . intense. --Gord Rollo, author of Valley of the Scarecrow and Crimson
Shea delves deep into the unknown. A thrill-ride of a read! --Alexandra Holzer, author of Growing Up Haunted
Raves For Hunter Shea
Forest of Shadows
A frightening, gripping story that left me too frightened to sleep with the lights off. This novel scared the hell out of me and it is definitely a creepy ghost story I won't soon forget. --Night Owl Reviews
Sinister Entity
This is the real deal. The fear is palpable between human and spirit that keeps you glued to the pages! --Horror Novel Reviews
Evil Eternal
Hunter Shea has crafted another knockout. At turns epic and intimate, both savage and elegant. . . a harrowing, blood-soaked nightmare. --Jonathan Janz, author of The Sorrows
Swamp Monster Massacre
If you're craving an old-school creature-feature that has excessive gore. . . B-horror movie fans rejoice, Hunter Shea is here to bring you
