

## The Mystic Arts of Erasing All Signs of Death: A Novel

With his teaching career derailed by tragedy and his slacker days numbered, Webster Fillmore Goodhue makes an unlikely move and joins Clean Team, charged with tidying up L.A.'s grisly crime scenes. For Web, it's a steady gig, and he soon finds himself sponging a Malibu suicides brains from a bathroom mirror and flirting with the mans bereaved and beautiful daughter. Then things get weird: The dead mans daughter asks a favor. Every cell in Webs brain tells him to turn her down, but something makes him hit the Harbor Freeway at midnight to help her however he can. Soon enough it's Web who needs the help when gun-toting California cowboys start showing up on his doorstep. Whats the deal? Is it something to do with what he cleaned up in that motel room in Carson? Or is it all about the brewing war between rival trauma cleaners? Web doesnt have a clue, but hell need to get one if hes going to keep from getting his face kicked in. Again. And again. And again.
