

The Number 121 to Pennsylvania & Others

Kealan Patrick Burke's first collection *RAVENOUS GHOSTS* was released in a very limited run, promptly sold out, and now commands high prices on the secondary market. We are very pleased to introduce you to the author's follow-up collection, an ambitious gathering of some of the tales for which he is best known. The lonesome sound of a long forgotten train draws an old man to memories of a horrific past... A journalist makes the mistake of visiting a website where real-life executions are the order of the day... At the foot of an old tree, an insidious evil awaits two boys digging for treasure... A browbeaten salesman finds hope and a possible escape from the banality of his world when he returns home to find a fairytale beanstalk sprouting from his garden... A man resists the social pressure to quit smoking and puts himself at an unimaginable risk... A high school student accepts a dare to ask out the ugliest girl in school and enters a world of pain and violence... A bunch of barflies doomed to murder sinners get together for one last drink in a dying town... These are some of the passengers, headed for a ride through the dark uncharted regions of the heart and mind, on a train unbound by any law but its own. All Aboard *The Number 121 to Pennsylvania*. There will be no stops.
