

## The People Trap

In Diplomatic Immunity, what happens when an alien ambassador arrives, telling the residents of Earth that they will be joining a galactic union whether they like it or not and the ambassador is unkillable? The thirteen other stories in this collection are The People Trap, The Victim from Space, Shall We Have a Little Talk?, Restricted Area, The Odor of Thought, The Necessary Thing, Redferns Labyrinth, Proof of the Pudding, The Laxian Key, The Last Weapon, Fishing Season, Dreamworld, and Ghost V. From the very beginning of his career, Robert Sheckley was recognized by fans, reviewers, and fellow authors as a master storyteller and the wittiest satirist working in the science fiction field. Open Road is proud to republish his acclaimed body of work, with nearly thirty volumes of full-length fiction and short story collections. Rediscover, or discover for the first time, a master of science fiction who, according to the New York Times, was a precursor to Douglas Adams.
