

The Perpetual Quest for the Perfect Life

Tourists flock to Jefferson Point for the antique shops and riverboat tours. Everyone knows everyone and secrets are impossible to keep. Or so it seems... Dr. Ryan Harpers brutal slaying stuns the picturesque river town. High school football star, Prom King, and on his way to finishing his residency, Ryan was their golden child. After a two-year struggle to care for their young son alone, his widow, Nicole, reluctantly returns to Jefferson Point. Her homecoming reopens old wounds, as Ryans family and friends struggle to adapt to life without his dynamic presence. The last person Nicole expects to reconnect with is Aaron Foster, Ryans best man and reluctant keeper of his secrets. With opinions circulating on Nicoles post-Ryan existence, she must maneuver the rapids of past loves, new expectations, and haunting dreams of her fallen husband. The Perpetual Quest for the Perfect Life is a frank story of questionable decisions, small town politics, and love after loss.
