

The Plume: The Second Anthology

Welcome to the Plume - where members are bound by desire and fantasies come true. This anthology includes the second three erotic novellas in the Plume series: Deception, Exhibition and Exposure.

DECEPTION Things are not what they seem to be at the Plume and some people are not who they seem to be. When Rex discovers his Christmas gift snooping through the photographs on his laptop, he thinks her betrayal cant get any worse but thats before he learns the sexy elf isnt even a member of the Plume and hes inadvertently broken his own ironclad rules. Louise is untroubled by Rexs rejection. One taste has convinced her that she wants more of the Plume. She sneaks into the club to sample the experience, but gets more than she expects including the opportunity to change Rexs mind about a joint gallery exhibition of his photographs and her sculpture. And then theres the Count, who insists hes in love with Athena. Fortunately, Athena knows better than to believe him, after what hes done to her in the past but what if shes wrong this time?

EXHIBITION An exhibition of his photographs in a prestigious art gallery is Rexs dream come true, but it comes with a hook: troublemaking Louise arranged the show but ensured it was a joint show, including her own sculpture exhibit. Rex doesnt want anything to do with his provocative former slave, but Louise proves to have a talent for getting under his skin. Meanwhile, Athena has concerns about the gallerys opening night party for Rex and Louises show, which has become the event of the year. Will this public display of Rexs photographs taken inside the club expose the Plume and its membership to new possibilities or peril?

EXPOSURE After Rex and Louises show, everything goes awry. The Count reveals secrets of the past to Athena, then asks her to leave with him. Does she dare to return to the man she has loved for years,

knowing he alone has the power to break her heart? Mikes plan to fulfill Joannas fantasy of being sexually shared by two men proves to be pleasure only to Eric and Joanna. The scene shreds Mikes heart will it destroy their relationship, too? And as the survival of the Plume itself comes into question, thanks to an unexpected betrayal, Rex must decide whether to take a chance on trust.
