

## The Psychic: A Young Adult Paranormal Thriller (Volume 1)

**PSYCHIC:** A person appearing or considered to have powers of telepathy or clairvoyance. Sixteen-year-old Elizabeth Wood is the sole survivor of a car crash that killed her parents when she was only six. Haunted by her reoccurring dreams, she seeks the help of a psychic named Alex. Having discovered she has clairvoyant powers of her own, Elizabeth finds herself plunged deeper into the weird and mysterious world of the paranormal. When a young girl is kidnapped, Elizabeth experiences strange psychic visions, resulting in the police locating one of the kidnappers hideouts. But when a second girl is found dead, the police lose faith, leaving Elizabeth and Alex to hunt down the kidnapper on their own. **THE PSYCHIC** is a fast-paced, action-packed paranormal thriller with a splash of romance. We think that you write beautifully. ~ The Blair Partnership (literary agents to JK Rowling)
