

The Queen of Bad Decisions (The Bartonville Series Book .25)

Daisy's life is sliding downhill at breakneck speed. Leaving her worthless boyfriend lands her back at her parents' home, sleeping on the couch. After only a few days she is tired and annoyed. Her parents give new meaning to the term early riser and she can't avoid unpleasant encounters with her obnoxious brother. The only escape from the familial torture is at her job in a book store. Her boss finds a solution to the housing dilemma, but Daisy will need to change more than her address labels to make the arrangement work. This book is a novelette that contains approximately 11,500 words. Two, short bonus stories along with recipes are also included. Note: This book was released as Volume 2 in the series. It has been renumbered to Volume .25 so the series can be read in sequential order.
