

Out of the Dark (Falcon) (Volume 1)

After a Russian mission goes south, Falcon Securities agent John Mac McKinsey is stranded with assassins on his trail. His boss arranges for him to hitch a ride with the corporate attorney Emily Richards, who is in Russia as a mediator. Emily Richards wants only to return home then on to a peaceful vacation with her best friend. When armed men invade her hotel room minutes after Mac arrives, Emily is forced to depend on Mac to stay alive. Anger that Mac has entangled her in a life or death struggle quickly turns to fear when the men pursuing them call her by name. Together Mac and Emily engage in a tumultuous ride to escape with their lives and capture a crazed bomber and a vindictive drug lord. More difficult is tearing down their own emotional walls. Can they succeed and admit love is the most precious thing in life?
