

## The Return of the Native

The Return of the Native is Thomas Hardy's sixth published novel. It first appeared in the magazine *Belgravia*, a publication known for its sensationalism, and was presented in twelve monthly installments from January to December 1878. Because of the novel's controversial themes, Hardy had some difficulty finding a publisher; reviews, however, though somewhat mixed, were generally positive. In the twentieth century, *The Return of the Native* became one of Hardy's most popular novels.
