

The Right Madness

James Crumley is one of the most revered practitioners of post-Chandler crime fiction, praised by the likes of Dennis Lehane and Michael Connelly as a major influence. C. W. Sughrue is Crumley's most indelible creation. Now Sughrue is back, in a searing thrill ride of a novel that has the seen-it-all Montana private eye trying to find out which of a small-town shrink's bizarre patients has made off with some highly confidential files. Fast-paced, brutal, melancholy, and ruefully funny, *The Right Madness* is Crumley at his uncompromising best.
