

## The Blessed and the Damned (Righteous Series)

As the son of the prophet of Blister Creek, a polygamous enclave in Utah, Dr. Jacob Christianson has struggled for years to reconcile his faith with his skepticism about the fundamentalist practices of his community. Nevertheless, when his family and neighbors were threatened, Jacob stepped up time and again to lead the fight against those who would destroy them. Now Jacob and the residents of Blister Creek face a dangerous new challenge to their quiet existence. Taylor Kimball Jr. wants to take over as prophet of Blister Creek and he wants Jacobs sister Eliza by his side when he does it. With no room for personal reservations, Jacob forms a tenuous alliance with his father and the FBI. But Taylor Junior is as crafty as he is brutal, anticipating Jacobs plan and drawing him out to leave Blister Creek vulnerable to attack. And this time Taylor has come prepared, with a horrific new weapon capable of annihilating Blister Creek. If he has any chance of winning this fight, Jacob will have to decide, once and for all, just how far he is willing to go to protect his community. The fourth in Michael Wallaces riveting Righteous series, The Blessed and the Damned raises the stakes in Jacobs world to dizzying new heights.
