

The Seventh Compass Point Of Death

THE LIT-CRIT TAKE: A character-driven thriller, centering on themes of terrorism, understanding and hope. **THE PURE PLOT PITCH:** Heres bad day: Guy sets out to rob a bank but ends up pulling a carjacking, and when hes arrested a body is found in the trunk. The victim is a Sunni community leader, and why was he killed? Who killed him? The search for answers takes me into a homegrown Islamic terror underground, into plots, counterplots, deceptions and love affairs, all leading to an attack on a major NYC landmark.
