

## The Spice of Life

Success can be a tricky proposition, intoxicating one moment and toxic the next. Vanessa Roth, CEO of her own advertising firm, is about to get the shock of her life. Her husband of eight years is dumping her and the life she once knew starts to crumble. Anna, her niece and only friend decides she needs a healthy distraction. Six weeks of Burlesque lessons is the last thing Vanessa expects to get for her fortieth birthday. Why would a professional business woman want to be involved in such frivolity? Against her better judgment, she accepts the challenge, and gets a lot more than she ever bargained for. The Spice of Life is a humorous, inspiring novel about love, friendship, self-discovery, and letting go.
