

## The Darkest Descension (A Breaking Insanity Novel Book 3)

Please read the warning contained within the preview before purchasing. This is not a romance, and as such, does NOT contain a traditional ending. The Breaking Insanity saga concludes with an explosive and bittersweet ending....With the world around them spinning out of control, Nikki and Eric will decide how far they are willing to descend to obtain what they want the most. Nikki faces a tough situation that changes everything she thought she knew and tests her fragile limits. In order to get what she wants, she must do the one thing she swore to never do. Unable to fight his nature, Eric quickly realizes he's losing a fight against something he can't control. Despite increasingly dire circumstances, Eric refuses to relent. He will fight to regain control of what he lost...by any means necessary. Content contains descriptive violence, coarse language, graphic sex, minor horror elements, and scenes that most readers would find objectionable. Reader discretion is strongly advised.
