

## Born To Bleed (The Roger Huntington Saga Book 2)

Born to Bleed is the exciting sequel to the cult classic, *The Summer I Died!* It's been ten years since Roger Huntington suffered through the bloody events in *Skinny Mans* basement. Ten years since the game of chance, the dismemberment, the torture, and the grisly deaths. Roger has moved to California where he now works as a painter and pines after his co-worker, Victoria. It's a seemingly bland life, which is how he likes it. But just as he can't forget his past, he is about to discover that his future may hold far more terrifying events than anything he could possibly imagine. Ryan C. Thomas is one of the most talented writers coming up from the micropresses. *The Summer I Died* and *Born To Bleed* are both excellent examples of hard-hitting, relentless horror! - HorrorDrive-in.com
