

Templar Chronicles Box Set #2

Cade Williams was just an ordinary cop until the night a fallen angel nearly killed him. Now he commands the Echo Team, a special ops squad of modern Templar knights, and the things they hunt are far darker and much deadlier than the criminals that he used to face...This special omnibus edition contains books 4-6 in the internationally best-selling Templar Chronicles series: **INFERNAL GAMES** - The war with the Chiang Shih is over but the Templars have paid a high price for victory. Even the Echo Team has not escaped unscathed, its commander returned a changed man with his thirst for vengeance quenched, but his spirit broken. It is the moment Simon Logan, the Necromancer has been waiting for. A daring prison break allows him to escape Templar control and vanish into the night. Newly promoted Captain Riley and the reformed Echo Team are given the job of tracking him down. The war with the Chiang Shih is over but the Templars have paid a high price for victory. Now its up to Cade to hunt her down... **FALL OF NIGHT** - At long last former Knight Commander Cade Williams

has defeated the Adversary, but his victory has come at a terrible cost. His wife, Gabrielle, is no more. His reputation lies in tatters, his trust in others broken.
