

Trails of Destruction (Dr James Ulrich series Book 3)

Dr James Ulrich has just been released from prison after serving five years for official corruption. Middle-aged and alone, he finds life outside prison walls extremely difficult. He applies for many jobs and fails dismally, despite his academic qualifications and his vast experience. In desperation he answers an ad for a janitor at Cherry Blossom Tennis Academy on Queensland's Sunshine Coast hinterland. He discovers that the academy is a den of iniquity. The corrupt CEO is pocketing millions of dollars in government funding for non-existent tennis-trainees. All the staff are lame ducks with criminal pasts and the trainees are the unwanted offspring of wealthy overseas residents. James discovers an Italian-American mafia organisation operating within the confines of the academy, creating a regime of fear and intimidation. He finds himself inadvertently thrust into a world of violence and intrigue and his five years in prison come back to haunt him in ways he could never have imagined. This book is the sequel to Webs of Deception.
