

The Troll Garden and Selected Stories

This collection by Willa Cather contains some of her earliest writing. It includes the entirety of her 1905 collection *The Troll Garden*, along with her earliest nationally published story *On the Divide*, *Eric Hermannsons Soul*, another very early story, *The Enchanted Bluff*, and *The Bohemian Girl*, two other early Cather stories that were published after *The Troll Garden*. The four additional stories all fall into her frontier life stories for which she is best known.
