

Bakkian Chronicles - Short Stories

Bakkian Chronicles - Short Stories contains two humorous short fantasy stories set in the magical kingdom of Lentari: Disneyland Debacle and Winter Wonderland. Disneyland Debacle is a 5,000+ word short story originally included in the Lyndsey Roughton anthology. Steve and the Bakkian Chronicles gang try to take a much needed vacation at the happiest place on earth: Disneyland! However, things don't necessarily go as planned when one attraction malfunctions with hilarious results! Come join the fun and see who is tricked into going on a high speed roller coaster! The Disneyland Debacle is (loosely) based on semi-sorta real events. :) The second short story is entitled Winter Wonderland. It is a 7,200+ word story that was written as a Christmas present to the fans! Can you imagine the king of Lentari on the back of a snowmobile? Can you try and guess what is going through the queen's mind as she steps foot inside a bustling mall? See for hilarious antics for yourself as Mikal's parents visit the Kingdom of Idaho for the first time ever!
