

The Unfinished Clue (Country House Mysteries)

A houseful of people he loathes is not Sir Arthurs worst problem?It should have been a lovely English country-house weekend. But the unfortunate guest-list is enough to exasperate a saint, and the host, Sir Arthur Billington-Smith, is an abusive wretch hated by everyone from his disinherited son to his wives stoic would-be lover. When Sir Arthur is found stabbed to death, no one is particularly grieved?and no one has an alibi. The unhappy guests fi nd themselves under the scrutiny of Scotland Yards cool-headed Inspector Harding, who has solved tough cases before?but this time, the talented young inspector discovers much more than hes bargained for.
