

The Unraveling of Us

What if facing your darkest fears meant finding a brighter future? A once-perfect life has spiraled out of control for Stephanie and Phillip Bouchard after their daughters drug addiction leaves them blind-sided and hopeless. Their strained relationship escalates when financial troubles and Phillips near infidelity pierce Stephanies heart, dragging her into an emotionally untouchable state. Stephanie considers ending the marriage and begins searching for a way out. Phillip is determined to repair the damage and save his family with the help of Stephanies best friend, Cali, who suggests a weekend getaway to her rustic family cabin. After repeatedly ignoring the offer, Stephanies resistance is shattered when a crisis forces the couple to face each other head on. Tension builds as simple acts like talking seem forced and unwanted, leading to more frustration. Will Stephanie and Phillip unravel their tangled history and find true happiness again?
