

## The Watcher: A Novel of Crime

A tautly plotted psychological thriller (Publishers Weekly, starred review) from Germany's most successful female author. Carla Roberts lives alone in the top of a high rise building, frightened by the sound of the lift stopping and opening on her floor, with nobody getting out. Days later, she's found brutally murdered. Meanwhile Samson Segal, an unemployed thirty-something, has taken to spying on his neighbors, particularly beautiful and successful Gillian Ward. When Gillian's daughter comes home to an empty, locked house, Samson takes her in but finds himself venting his anger in his diary when his good Samaritan actions go unappreciated, unaware that his suspicious sister-in-law cracked his password long ago. When Gillian's husband is then murdered in his own home, Samson comes under intense scrutiny but the only man making any progress on the case is the one who shouldn't be working on it. Yet he's the only one who believes Samson is innocent
