

## The Way of Sorrows: The Angelus Trilogy, Part 3

The highly anticipated final book in Jon Steeles thrilling cosmic Angelus trilogy, The Way of Sorrows counts down the dwindling hours between humanity and the apocalypse. Steele again sets the stage for an epic battle, played out in Alaska, Russia, Switzerland, and ultimately Jerusalem, pitting the protectors of paradise the eternal angels against the goons of timeless evil. As the forces engage, we find the former escort Katherine Taylor having somehow survived the hideous scorched-earth attack on her Pacific Northwest home, but with no other signs of life in sight. Katherine soon realizes that her memory has been wiped clean, with few clues whether her toddler, Max, the child of prophecy who will guide creation through the next stage of evolution, has been killed or captured. Meanwhile, Detective Jay Harper is once again at Lausanne Cathedral, where he is following a new directive from his immortal, heavenly central command: rescue both Katherine and Max before the goons eliminate all trace of goodness from the world at midnight. What unfolds is a thrill-packed, action-filled journey that spans the globe and the heavens. Combining science, religion, and fantasy, The Way of Sorrows is a wildly imaginative, inventive, one-of-a-kind finale to Jon Steeles monumental trilogy.
