

Hidden behind the walls of power, the corrupt and materialistic businesses, and the convenient death of every inconvenient whistle-blower, hides a secret organisation called the Wrecking Crew. For years they have been manipulating businesses and empowering Governments. They don't care what they do or how they do it, as long as the price is right – but this time they have gone too far. Now one man is on a mission to stop them. Eric Stone is trustworthy, easy-going and friendly – he's your all-round nice guy. His first rule in life was always "Don't get involved," but when he discovers the shocking truth behind his friend's death, he feels compelled to act. Stone is no stranger to risk, but the Wrecking Crew is the most dangerous adversary anyone has ever faced. Soon he and his friends are dragged into a desperate race for survival, where no one can be trusted. Can Eric Stone destroy the Wrecking Crew, or will he become their next victim? Reviews Kept me on the edge of my seat. I didnt want to put it down. It was long enough so that I could get my teeth into it. I thoroughly enjoyed reading it. I found Wrecking Crew to be a captivating mystery novel. After a blunt start, putting me, as a reader, right into the middle of action and characters, the story line was very well developed all throughout the book. It was a pleasure to read about a hero, as Eric proved to be, to read about his adventures while investigating a mysterious death and as well, to find something that could not be missed to make the book very enjoyable to read, a love story. I have really enjoyed reading this book, and I believe as a fan of the kind, it is not always easy for me to say this about books. Wrecking Crew is awesome! I read a lot of books but this one stood out as one of the very best. It is about a secret group of undesirables who are sent out to rid England of problems that threaten their government or political agendas. The group has an assassin, a tech geek, some muscle, etc. Lets just say that they all have unique abilities that make them valuable assets to their team and a giant threat to anyone on their list. However they choose to mess with the wrong guy, and now his friends are hunting them. I dont want to give away too much but I will say that this book is filled with action, the story is excellent and the writing quality is superb. Great story. Well written, well researched and sufficiently good that Ill be looking for other works by this author. Different enough from the standard novel that it was, well, novel. It is the best mystery/thriller/suspense book I have read in a long, long time. It has pretty much everything that makes me jump for joy! A great story, wonderfully written characters, humor, a bit of a love story, and most of all, it keeps you on your toes the whole time! I absolutely loved this book! Loved it, and highly recommend it!

Wrecking Crew - Wrecking Crew - Music Action · A high-level government hit squad is sent into the streets in order to complete a deadly mission. **The Wrecking Crew - Home Facebook** The Wrecking Crew was a group of studio musicians in Los Angeles in the 1960s who played on hits for the Beach Boys, Frank Sinatra, Nancy Sinatra, Sonny and Cher, Jan & Dean, The Monkees, Gary Lewis and the Playboys, Mamas and Papas, Tijuana Brass, Ricky Nelson, Johnny Rivers and were Phil Spector's Wall of Sound. **The unknown super group behind rock-n-rolls most iconic albums** Documentary · A celebration of the musical work of a group of session musicians known as The Wrecking Crew, a band that provided back-up instrumentals to **Meet the secret musicians who made the 1960s so great - NY Daily** Shop the Wrecking Crew Film store and support the documentary! **The Wrecking Crew (Official Movie Site) - Directed by Denny** Critics Consensus: The Wrecking Crew may not achieve the greatness of the many classic songs its subjects helped bring to life, but it remains **The Wrecking Crew (2015) - Rotten Tomatoes** The Wrecking Crew finally gets its due in a new documentary, **The Wrecking Crew Music Documentary** Prolific session musicians the Wrecking Crew, who provided backup instrumentals for numerous popular bands in the 1960s,
