

## THERAPY Ever After

Kathryn Perez takes you back to where you felt hope and then gives you forever with this second chance romance story. The highly anticipated conclusion to the best-selling novel, THERAPY. THERAPY Ever After takes place exactly where the last chapter of THERAPY left off and then spans the one month before the epilogue. The reader will also see more of Jessica's future and how she finally gets her happily ever after with the love of her life. Its time for me to have my happily ever after. Ive never had more reasons to fight for it than I do now. -Jessica NOTE: THERAPY Ever After is a novella (not a full-length novel) and not a standalone. You need to have read THERAPY first.
