

Three to See the King: A Novel

A novel rich in comic menace from the author of *The Restraint of Beasts*. In a setting Samuel Beckett might have found homey lives a man in a house made of tin. He is content. The tin house is well constructed and located miles from the tin houses of his nearest neighbors. Though he seems to have escaped society, however, society finds him. One day, a woman arrives and moves in. Soon a neighbor comes to visit, and then another. Soon, moving figures silhouette the horizon. People dismantling their tin houses and setting off to find a master builder with a revolutionary message. The gravitational pull cannot be resisted. Nor can this novel.
